

REACH Statement

(Registration, Evaluation, Authorization and Restriction of Chemicals)

China Zirconia Ceramic, Inc. considers the protection of the environment, natural resources and health as one of its most important business tasks.

TPI therefore reviews/audits for clean/safe products and processes, therefore agree with Restriction of Chemicals (REACH) Regulation.

Products manufactured by China Zirconia Ceramic, Inc. are not involved in the REACH Registration.

Products that would be involved in REACH, would be registered by our suppliers.
